LinkedIn Profile: www.linkedin.com/in/mahesh-parwani

Objective

Dedicated and self-motivated engineering graduate seeking excellence as a real life problem solver that contributes towards national, organizational as well as personal growth while being innovative and flexible.

Educational Qualification

Bachelor of Engineering (Information Technology)   July 2014 – June 2018
V.E.S Institute of Technology
University of Mumbai
CGPI - 8.14/10

Higher Secondary Certificate (H.S.C)   June 2013 - June 2014
C.H.M College, Ulhasnagar
Result - 78.33 %

Secondary School Certificate (S.S.C)   May 2011 - May 2012
S.V.E.S school, Ulhasnagar
Result - 90.18 %

Internships

Praqtise.com - An Ed-Tech Startup   June 2016 - July 2016
Front-end Developer
- Designed the advanced gamified User friendly Interface for Praqtise.com website.
- Involved in sharing Technical Ideas with the Developer Team of the company.
- Involved in monitoring the technical requirements of the company and providing appropriate solutions for it.

Beaconstalk- India's largest Proximity Network   April 2016 – May 2016
Database Programmer
- Acquired customer care details from Various Malls, QSRs, Restaurants, Gyms and many other brand service providers.
- Capturing the Network addresses of various branded shops with the help of an Android Application called "Wi-Fi Capturer" through field work.
- Designed Database of the acquired data and Build the User Interface for Editing, Deleting, Sorting the data records using Bootstrap Datatables.

Pulse-Edu Concepts   Dec 2015 - Feb 2016
Math-Content Writer
- Designed more than **750** new Quantitative and Logical aptitude questions/answers later uploaded on the website Praqtise.com, currently used by CAT/XAT aspirants for Aptitude Preparation.
- Categorizing aptitude question, deciding the complexity of the aptitude question.

Technical Skills

- Programming Languages : C, Java.
- Web Technologies : HTML5, CSS3, JavaScript, Jquery, PHP.
- Database : MySQL, Oracle-SQL-Plus, MS-SQL.

Selected Projects

- **Employee Management System using Java Swings**.   Jan 2016- Feb 2016

It's a Java Based Application is currently used in **Applabs Company**. It is useful in storing details of working Employees. Functionalities like Modify, Delete, Filter Employee records are also added along with Simple and Neat User Interface using Java Swings. Error logging and Auditing Frameworks are also embedded in the application.

Github link: https://github.com/Mahesh1296/myJavaProjects

- **Home Automation System using Raspberry PI (RPI)**   Jan 2017- Feb 2017

It is a project for '**Looking Beyond Syllabus**' competition in our college based on IOT. We as a team have come up with a idea of creating web based interface to control various Home appliances remotely via internet. It requires languages like Python, PHP for back-end Functionality. Key Hardware Components are PIR Sensor, Temperature Sensor, Ultrasonic Sensor, etc.

Achievements

- **HackerRank (Competitive Coding Website)**
  Medals: **1 Gold, 2 Silver, 2 Bronze   Current Rank: 3846 (out of 30 lakh members)**
  Profile link : https://www.hackerrank.com/msparwani
- Secured **1st** place in Intra Collegiate Coding Competition **'TechTrix',** Organized by ISTE-VESIT.
- **TCS CodeVita 2017** (Global level Coding Competition organized by TCS Company)
  Round 1 Rank: 912 / 2 lakh participants   Round 2 Rank: 365/ (out of top 4000).
- Secured **1st** Rank in School in S.S.C Board. (2012)

Activities

CO-CURRICULAR ACTIVITIES:

- Pursuing training for **Oracle Database 12c**. at Kamal Classes.(2017)
- Completed **Oracle Java Certification** at Kamal Classes.(2017).
- Participated in various intercollegiate **Coding Competition** like JavaGuru, C-way, CodeSwap Organized by VJTI College.
- Solving coding Algorithms on **HackerRank**.
- Participated in spoken tutorial FOSS training Event organized by IIT Bombay.

EXTRA-CURRICULAR ACTIVITIES:

- Participated in Leadership skill enhancement program organized by SoaringEagles.
- Active Member of CSI and ISTE society.
- Active Member of Sambhav NGO.
- Runner-Up in Speech competition during school.

Personal Strengths

- Possess excellent interpersonal traits with capability of problem solving through reasoned thought processes.
- Ability to learn quickly.
- Passionate towards coding.
- Regular, responsible and dedicated towards every task.
